

RED KING CRAB (PARALITHODES CAMTSCHATICUS).

«New Alaska Volkhov» is a trade-production subdivision of the Company Group «North West Fishing Consortium» (CG «NWFC»). CG «NWFC» has oceanic and coastal industrial quotas for a catching of Red King crab, Snow crab, cod, haddock and halibut in the Barents Sea (FAO27).

The factory «New Alaska Volkhov» includes workshops for processing of Red King crab, Snow crab and fresh frozen fish. Production is carried out in accordance with the highest quality standards. The factory has implemented a food safety management system HACCP (Hazard Analysis and Critical Control Points) and the global standard food industry BRC (British Retail Consortium). The production of Red King crab and Atlantic cod is certificated by standards MSC (Marine Stewardship Council). Currently the certification of MSC standards for the production of Snow crab and halibut is at the final stage.

Address of the factory «New Alaska Volkhov»: 173020, Russia, Veliky Novgorod, st. January 20, 48. E-mail: office@fishtrade.net
